

FLOWER DONATIONS

Celebration of Life Arrangements

Hope Blooms is honored you are considering donating arrangements from your loved one's service. It is truly our honor to create bouquets from flowers that were gifted in his or her remembrance and spread hope and joy in their memory. Please know any bouquet donation amount is welcomed, whether it is one arrangement or multiple. See below for how to donate.

- Hope Blooms has wonderful working relationships with the amazing funeral homes in the Fargo-Moorhead-West Fargo communities. Please inform them you are interested in donating to Hope Blooms. If possible, they are more than often able to drop off the bouquets to our shop once services have ended, and the family has had the opportunity to take the arrangements they would like to keep.
- If the family has opted not to use an end-of-life service, please contact Hope Blooms as soon as possible, so plans can be coordinated for family or friends to drop off the arrangements at the Hope Blooms shop. Our shop is not staffed during set times, so contacting us beforehand for a drop off is required. Contact information and shop address is listed below.
- We humbly request the family's contact information (name and mailing address) be provided to Hope Blooms, so we extend our condolences and thanks to them for the beautiful gift of the flower donation.
- Arrangements will be assembled and delivered to facilities around the FMWF area to spread joy and hope in honor and remembrance of your loved one. Families are welcome to join us for this (arranging time can be set up separate from drop off), or Hope Blooms will coordinate with its volunteers to arrange the bouquets.

Wedding Floral

Hope Blooms is honored you are considering donating floral from your special day! We are excited to continue to use these blooms to spread more joy, hope and love into the community after they provided these same things to you on such a monumental day. This opportunity can be one of the first charitable acts you do as a married couple! **Please note: Hope Blooms is unable to pick up donations the night of the event because of our small size and lack of staffing in late evenings.** See below for how to donate.

- Fill out the donation form on our website, providing all the event details.
- Hope Blooms will reach out to coordinate a drop off time for the donation. We suggest lining up family/host couple/friends to gather flowers at the end of night, so they can be dropped off at the Hope Blooms shop the next day. Hope Blooms is unable to pick up donations the night of the event because of our small size and lack of staffing in the late evenings.
- Hope Blooms will meet the drop-off person at the Hope Blooms shop during designated drop-off time that was set up prior to the event. Our shop is not staffed during set times, so contacting us beforehand for a drop off is required. Contact information and shop address is listed below.
- If not already provided in the donation form, please send the couple's contact information to Hope Blooms using the contact information below, so a donation receipt and thank you can be provided to the couple.

Hope Blooms Contact: info@hopeblooms.org
or 701-491-8821

Shop Address: The shop is located at 758 34th St. N., Suite O, Fargo, ND 58102, right off of 7th Ave. N. near Trane and Syverson Tile. Turn on 34th St. N. and take an immediate left into the Trane parking lot. Drive to the back of the lot where the Dakota Elite building is located; our entrance is tucked away on the west end of that building.
